6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision statement

Creation of an educated, ethical and prosperous society by imparting higher education to youth enabling them towards integral human and career development in industrial and human health sector.

Mission statement

Academic excellence, healthy standards in extracurricular practices, socially relevant activities, and courses leading to employment and entrepreneurship and continuous progress of the institution.

6.2

- The College ensures a system of participative management whereby information flow and decision making processes are systematized and channelled through all key constituents of the College. These are implemented through either the office of the Principal or the Director.
- The Heads of departments ensure the smooth functioning of the activities of the department in collaboration with other members of the department. Monthly meetings of the Staff Council are held to discuss and decide on matters relating to academics and administration.
- For the smooth and effective functioning of the College, interactions with stakeholders comprising faculty, parents, alumnae and the students, are regularly organised.
- Feedback received from faculty, students, alumnae and other stake-holders are considered for continuous review and revision which are relevant to the changing needs of higher education.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development.

Curriculum Development:

- ❖ The curriculum of the UG & PG courses is prepared and modified from time to time by the affiliating university, i.e., H.N.B. Garhwal Central University, Srinagar.
- ❖ However, the Institute's internal BOS takes place to suggest up gradation in the syllabi and desired changes as per the needs of the stake holders.
- ❖ An assessment of the effectiveness of the current curriculum is done through Feedback obtained from faculty, students, alumnae, subject experts, employers and members of the academic fraternity.
- ❖ It is communicated to the affiliating university for further reform in the curriculum of the concerned subjects.

6.3.2 Teaching and learning.

1. Use of ICT as effective teaching tools, interactive E-learning, smart class and modern teaching modules.
2. Teachers diary with teaching plans and its follow up. Teaching plan is also submitted to IQAC.
3. Monthly report department wise to IQAC to review and tally the teaching plan as per schedule.
4. Academic calendar for the each academic session is prepared.
5. Study material is provided to students by the subject teachers.
6. Monitoring of academic performance of students through class test, group discussion and assignments, etc.
7. Regular visiting/guest faculty for interactive teaching.
8. Providing opportunities to the students for internships and H-o-T in various Hospitals and Industries.
8. Exposing students for outdoor learning through educational trips, excursions, camps etc.
9. Motivating students for research activities by organizing workshops/seminars/conferences/ H-o-T and allowing them to participate in such activities conducted by other organizations.
10. Subject wise external experts are called to review the research proposal of M.Sc. dissertation and suggestions are incorporated accordingly.
11. Students centric teaching. Students are divided into A, B, C category as per academic performance and remedial classes are arranged to upgrade the weak students by subject teacher and class coordinator.

The College has several mechanisms in place to ensure that all stakeholders - students, parents, faculty members, administrative staff and the Management - are aware of the evaluation processes.

The internal examination schedule of all courses are included in the college Academic calendar and displayed on the notice board. The examination schedule includes following information:

1. Date of sessionals (First, second) for semester system.

2. Date of internal examination (First, second and pre-university examinations) for annual system.

The Evaluation processes consist of Continuous Assessment and End Semester Examinations (ESE), except few courses like BPT, MPT, B.Sc. MM, B.Sc. MLT, B.Sc. BT (under revision currently to semester system) and M.Sc. Agronomy where the University exams are held annually.

The distribution of marks between the two session tests and University exams for computation of grades are calculated as below:

- i. UG Courses: 30% of total marks of the course. The end of the semester examination is of 2 hr. and carries 70% of total marks assigned for the course.

- ii. PG Courses: 40% of total marks of the course. The end of the semester examination is of 2 hr. and carries 60% of total marks assigned for the course.

- iii. Evaluation of Project Report/ Dissertation and viva-voce shall be of 100 marks.

- ❖ To improve the results, class tests (M.C.Q) are conducted after the completion of topic/unit.
- ❖ After completion of the theory examination, answer papers are assessed, by strictly following the rules and regulations laid down by the affiliating University, and result is declared in the stipulated time.
- ❖ A candidate who fails to obtain the minimum required marks to pass a semester may be allowed to appear only at the subsequent End of semester examination as an ex-student prescribed for that particular semester.
- ❖ The result of internal assessment is sent bi-monthly to the parents.

6.3.4 Research and Development

The college is a recognised research centre. A number of departments like Microbiology, Biochemistry, Biotechnology and Zoology are recognised centres for research by the Uttarakhand Technical University, Dehra Dun, Suresh Gyan Vihar University, Jaipur, IFTM University, Moradabad and ICFAI University, Dehra Dun.

There is a research committee, headed by the Director and comprises four senior faculties as members. The primary objective of the committee is,

- To create awareness in young faculty about various funding agencies, their thrust area, schemes and proforma for funding.
- To guide the young faculty in preparing research proposals, and
- To evaluate the quality of research publications /conference presentations made by the faculty and students of the institute.

Composition of Committee

1. Dr. Arun Kumar, Chair
2. Dr. Shailja Pant, Co-Chair
3. Dr. Sas Biswas, Member
4. Dr. K.P. Tripathi, Member
5. Dr. Shruti Sharma, Coordinator, IQAC
6. Dr. Shalini Singh, Member

The committee meets every quarter, wherein it monitors the progress of the research projects undergoing in the institute. It also guides the students for oral/poster presentations in seminars/conferences, etc.

Some of the major recommendations made by the committee to encourage the young faculty towards research have been:

1. *Creation of a corpus* comprising adequate seed money for carrying out the initial investigations, experimentation and data collection for a proposed research project by the faculty. A corpus of Rs. Ten Lac has been created by the management for the above purpose during the academic session 2016-17.
2. *Creating advanced ICT facilities* like NPTEL and INFLIBNET, NDL both for the faculty as well as the senior students.

ICT facilities are made freely available to the faculty. The college has dedicated lease line for internet connectivity. Every department has been provided with internet connected PC to the individual faculty with free printing facility to help them gain the required knowledge.

Departments subscribe to national and international journals. The college is also a member of UGC-NLIST-INFLIBNET through which e-journals are made available. This is in addition to the NPTEL facility for which the college is a local chapter.

6.3.5 Library, ICT and physical infrastructure / instrumentation.

Library: Completely computerized library. Issue and return through BAR code system. Library management through ERP system has been implemented. Library has OPAC facility. Library has advanced ICT facilities like INFLIBNET and NPTEL both for the faculty as well as the senior students.

A separate repository is being created in the library comprising the academic research outputs from students and faculty in the form of the dissertations from the PG students from various streams as well as the copy of the publications (books, manuals and research papers) from faculty and students. Separate racks have been provided for individual departments to display their student's dissertations, etc. in the Central Library.

ICT:

The institution adopts policies and strategies for adequate technology deployment and maintenance. The ICT facilities and other learning resources are adequately available in the institution for academic and administrative purposes. The computer lab has been upgraded and shifted into larger and spacious premises. Besides individual faculty have internet connected desk tops with facility of on-line access to NLIST-INFLIBNET on line data base.

There is a separate server room with 04 Servers, of these 01 is for application purposes, 2nd for storing the data of ERP, and the remaining 02 servers are for the computer lab. The college also has 20 MBPS dedicated cable line for ICT needs which is duly supported by 01 UPS of 20 KVA. There is an additional 6KVA UPS for the server room.

The staff and students have access to technology and information retrieval on current and relevant issues. The institution deploys and employs ICTs for a range of activities. In keeping with rapid advancements in technology, and for students to benefit from state-of-the-art equipment, the College has recently installed ERP system. Additionally, every department has been provided with a CPU class room with mounted LCD projector. A total of six overhead LCD have been added during the current year.

Physical Infrastructure/ Instrumentation:

Seminar halls, conference rooms, , classrooms (some equipped with ICT facilities like computers and overhead LCD), buildings to house administrative offices, faculty chambers within the Departments, well equipped laboratories, a video conferencing facility, library, Girl students' common room, visitors room, OPD, wellness centre, games field, browsing centre, DTP centre, a telephone kiosk with STD and ISD, a bank with ATM facility, canteen, parking area and hostel facilities both for girl and boy students and a few staff are provided.

Every Department has at least 02 well equipped laboratories with modern equipments like HPLC, Gel doc., PCR, Fermenter, UV Spectrophotometer etc. to carry out contemporary and advance research. A number of facilities are common and being utilized by other Departments as well.

Since the accreditation a central block has been constructed in with a number of key offices like Accounts, Examination cell, visitors room, Director's and OSD office have been created on the ground floor. Currently another block is coming up exclusively for the Department of Agriculture.

The first floor has exclusive chambers for senior faculty and admin. Officers, while the 3rd & 4th floors have the Central library, which now occupies middle position in the College. The auditorium on the 1st floor has been renovated and provided with UPS back up.

An additional modern auditorium is being constructed on the top floor of the new building.

Advertisements inviting applications from qualified candidates are published in leading newspapers. Applicants who meet the eligibility criteria lay down by the UGC and the Affiliating University are called for an interview cum trial teaching session.

The selection panel consists of the Principal, Director, Head of the concerned department, a senior member of the faculty and an external subject expert.

6. Our alumni are guiding star and role model for the students. A cordial relation with the industry and other employers is also one of the outcomes of our alumni.

6.12 Activities and support from the Parent – Teacher Association

1. The College does not have an established Parent – Teacher Association. However, there are activities organised by the college wherein parents are encouraged to attend. In the beginning of the academic year it is mandatory that parents of I yrs' students attend an Orientation on all academic programmes and student support services offered on campus.
2. Departments organise a one-on-one dialogue with parents whose wards need further support and counseling services to enhance performance.
3. The faculty members are provided with official phones to remain in touch with parents regarding the students related information like: attendance, campus discipline, dress code, academic results, Co-curricular and extra-curricular activities, etc. In critical cases letters are issued or the parents are advised to personally visit the college for consultations.
4. Parents are apprised with the bi-monthly progress report (attendance + marks obtained in internal tests) of their ward via class coordinators.
5. The parents are kept apprised with various activities in the college by being provided with the issues of the college quarterly magazine "*Dolphin Insight*".
5. ERP system is being introduced from academic session 2016-17 which will enable the parents to monitor the academic progress of their wards from their place of residence.

6.13 Development programmes for support staff

The supporting staff plays an important role in the development of the institution. For the development of support staffs following activities have been introduced:

- Time bound allotted duties.
- Free medical facility in the campus.
- Financial support during emergency.
- Support for outdoor sports participation.
- Annual social gathering for staff on various occasions.
- Participation in the training programmes like computer, fire fighting, laboratory safety and hazard management and traffic rules are undertaken regularly.

6.14 Initiatives taken by the institution to make the campus eco-friendly

- College is sprawling in over 7 acres of pure lush greenery and surrounded by a thick forest cover of Sal, *Shorea robusta*, and captivating natural fauna and flora.
- The peaceful atmosphere and the salubrious climate provide a perfect setting for young minds to absorb knowledge.

Following initiatives have been undertaken to make the campus eco-friendly.

1. Faculty of Botany department has started developing a Botanical Garden. The garden would be both to make the campus more eco-friendly as well to develop it as a *ex-situ* conservation site for the propagation of rare and endangered Himalayan medicinal plant species.
2. The Management, faculty and students of forestry department have planted saplings in the campus as part of Van Mahotsava Programme.
3. Botanical names of all the plants within the campus have been displayed along the tree or plant.
4. Some of the other eco- initiatives are polythene free campus, segregation of waste, and "Green" lab-waste disposal of laboratory wastes, etc.
5. During the year initiative has been taken to install Solar panels in the college building.
6. Another initiative has been taken for rain water harvesting in the college campus.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Soft as well as hard copies of the study material as per the syllabus both for the theory as well as practical classes have been prepared.
- A number of these have been uploaded in MSW format, through ERP so as to make it available to the concerned students any time anywhere.
- Faculty are also compiling the question bank for individual subject papers.
- The academic performance of the class students is monitored and the weak students are helped to improve through extra efforts in the form of tutorials.
- Further enhancement of ICT as effective teaching tool, interactive E-learning and modern teaching modules.
- Each faculty has been provided with a desktop linked to a dedicated 10 MBPS internet line, enabling the faculty to access the NLIST INFLIBNET on line as well as they have free access to the internet for searching and downloading the academic data.
- ERP System adopted to use ICT for creating paperless, but at the same time efficient and quick communication system and on-line data base regarding all activities and resources in the college for which each faculty has been provided with individual desk top.
- College functioning well as 'Local chapter' of NPTEL by IIT, Madras.
- Full complement of video lectures approx. 08 terabytes by NPTEL was obtained from IIT, Kanpur.
- An index of these lectures was prepared and provided to each department for conducting video lectures from their respective subjects.
- Students and faculty are encouraged to take up Add on on-line courses of NPTEL.
- NLIST-INFLIBNET on-line library services are available to the faculty and students.
- Each faculty can access the e-resources of INFLIBNET from their individual desk top.
- Creation of a repository in the central library of the college where in the copies of the academic and research contributions of the faculty and students are displayed.
- CCTV is effectively functioning in the campus with a centralised monitoring system to administer the day to day working and discipline in the college and the girls' hostel.
- In second phase CCTV have been installed in some class rooms during the concerned year. They will be further extended to all the class rooms next year, i.e., 2017-18.
- Facility of Biometric attendance has been installed in large class rooms to begin with, to be extended in all class rooms in the coming session.
- In a step towards making each class room ICT enabled a number of overhead LCD projectors have been installed, to be extended in all class rooms in the coming session.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

The college IQAC has taken the decision that college will continue with the policy of upgrading the knowledge and skill of its students and faculty by regularly undertaking various academic and research oriented activities including the infrastructure and library development.

Some of the major heads under which substantial progress was made during the year,

- An amount of Rs. 1205225.00 was spent on procurement of various laboratory equipments.
- An expenditure of Rs. 9030883.00 was incurred on procurement of two buses, two staff cars, furniture and fixtures, computers, CCTV's etc.
- An amount of Rs. 929640.00 was incurred on purchase of books, journals etc in the college library.
- Following expenditures were made on the maintenance ICT, Infrastructure, equipments etc, namely,
 1. Rs. 468005.00 on ICT
 2. Rs. 305259.00 on campus infrastructure and facilities
 3. Rs. 410354 on equipments
 4. Rs. 4375607.00 on miscellaneous items.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

Best Practice-I:

As stated in Mission statement of the college the main emphasis is on Academic excellence through student centric teaching and skill development leading to employment and entrepreneurship.

We are happy that to the large extent we could achieve all three objectives, as explained below.

For skill development of not only our own students but from other academic Institutions across the country the college conducted a number of Hands-on –trainings, CME and 'Startup India' Workshops throughout the year as detailed below:

1. Seminar on modern trends in applied plant biology was organised by Department of Botany on 03/12/2016.
2. Department of Physiotherapy organised a two days workshop on Integrated Manual Therapy on 13th and 14th December, 2017.
3. Hands-on-training on ELISA techniques was organised by department of Biochemistry on 21/12/2016.
4. Workshop-cum-Hands-on-Training on Molecular Docking, Virtual Screening and Computational Biology was conducted in Department of Biotechnology in collaboration with Uttarakhand Council for Biotechnology and Schrodinger INC from 10th to 12th January 2017.
5. CME on Dry Needling on 25th & 26th January 2017.
6. Workshop-cum-HOT on 'Research methodology' was held on 9th & 10th February 2017 in collaboration with State Nursing College, Dehra Dun.

7. Seminar on Forestry and “Allied Sciences Specific Popular Topics (FAST-2017) on 17th & 18th February 2017.
8. International conference on “Forestry and Tourism: The Future mantra for Sustainability” jointly organised by DIBNS and Garden City University, Bangalore 21-22, March 2017.
9. Seminar on Cancer Biology was organised by Department of Biochemistry on 08/04/2017.
10. Seminar on Water Resource management was organised by Department of Agriculture on 02/05/2017.
11. A Workshop on Social Entrepreneurship was organised by DSWC in collaboration with Dainik Jagran, news daily on 29/05/2017.

Best Practice-II

Enhancement in the applications of ICT in teaching and learning programmes.

- Each faculty has been provided with a desktop linked to a dedicated 10 MBPS internet line, enabling the faculty to access the NLIST INFLIBNET on line as well as they have free access to the internet for searching and downloading the academic data.
- OPAC facility available for library search.
- ERP System introduced primarily to make use ICT to create a paperless but at the same time efficient and quick communication system and on-line data base regarding all activities and resources in the college for which each faculty has been provided with individual desk top.
- College designated as ‘Local chapter’ of NPTEL by IIT, Madras.
- Full complement of video lectures approx. 08 terabytes by NPTEL has been obtained from IIT, Kanpur.
- Installation of over head LED projector in every class room has been started during the year.
- Biometric attendance for students and faculty has been started in selected class rooms.

7.4 Contribution to environmental awareness / protection

The College constantly seeks to promote the Care of Mother Earth initiative. One of the primary objectives of the institution is to sensitize students on environmental issues and to motivate them to promote ecological justice and sustainable development. The College, on a regular basis implements healthy ecological practices in water and energy conservation and waste management. Some of the eco initiatives of the campus include:

- Green cover with large number of trees both inside and outside the campus
- Installation of Solar energy over head water tanks
- Rain water harvesting
- Herbal garden
- Energy efficient lighting
- Safe disposal of laboratory wastes

7.5 Whether environmental audit was conducted?

Yes

No

7.6 Any other relevant information the Institution wishes to add (For example SWOT) STRENGTHS.
