**Field Visit to Sahastradhara, foothills of Mussoorie, Dehradun**

B Sc Forestry 1<sup>st</sup> & 5<sup>th</sup> semester students were taken to the Sahastradhara, foothills of Mussoorie Dehradun on 25<sup>th</sup> November 2022 to fulfill the component of courses Geology & Soil Science, Forest Botany & Dendrology. Total 69 students were accompanied by four faculty members i.e. Dr Sas Biswas, Dr Sandhya Goswami, Mr Prabhakar Manori & Mr Anil Kewat. Students gathered knowledge on lower plant classes along the water body in Sahastradhara, Mr Prabhakar Manori guided students on this aspect. Samples of plants were also collected by students. A dendrological study was done around the area using quadrat method. Taxonomy of tree species available in the area was taught by Dr Sas. Biswas to the students on the field and they learnt the science of tree species identification using its architecture. On the seasonal nallah/ water body coming from mussoorie hills to the river at sahastradhara, students studied about different type of rocks. They collected rock samples from the river bed and identified the samples using pre-identified rock & mineral samples kit taken on field by Mr Anil Kewat. He guided them on how to identify the collected samples from pre-gathered information. Students were given an overview on the watershed development activities done by Forest Department of Uttarakhand in the area to stabilize the mined out hill area.
