

Department of Forestry

Institutional visit to “Uttarakhand Bamboo & Fiber Development Board, Dehradun-Uttarakhand

Institutional visit of the students of B. Sc. Forestry 3rd year was carried out to “Uttarakhand Bamboo & Fiber Development Board, Dehradun-Uttarakhand” on 12th August 2022. The objective of visit was to give orientation to students on non-timber forest products and their marketing and market value. In the Institution students have seen range of products from bamboo, Bhimal (*Grewia optiva*) bark and Urtica (Bicchhoo grass) fibers.

The machinery functioning was also learnt by students to convert raw material into workable fiber. Mr Dinesh Joshi, Project Director, Bamboo and Fiber Board gave presentation on the functioning of board to the students. He explained the procedure of extraction of fiber from *Grewia optiva* bark and post extraction processing. Students saw various textile products of these two fibers. Bamboo articles were also kept in exhibition for students. Students learnt about how the value of a forest product can be enhanced by value addition. It was very encouraging experience for Forestry students that gave them entrepreneurial insight also. In total, 36 students and 2 faculty members, Dr. A.K. uniyal and Mr. Manish Kumar undertook this visit.

Department of Forestry is highly grateful to the authorities of Uttarakhand Bamboo & Fiber Development Board for providing them this opportunity.
