Action Taken Report

S. No.	Issue	ATR
1.	Practical Work	The subject faculty were asked to ensure that students get sufficient practical experience in the labs/ field so as to understand the concept well. The Class Coordinator is to ensure that the needful is being done.
2.	Transfer of knowledge	Students should be taken on educational visits, more guest lectures/ HoTs/ Seminars to be organized to ensure that students are updated in their field of study. Add on/certificate courses to be conducted for the students.
3.	Interaction with the Alumni	Alumni Association/HODs are to arrange such interactive sessions of alumni with the students.
4.	Students Development	i. Quizzes, class tests, presentations, seminars and groups discussions are to be held for the students on a regular basis. ii. HODs have been asked to include co-extracurricular activities in the timetable. Faculty have to ensure that students participate enthusiastically in the same. Also Personality Development Programmes to be organized for the students. iii. PG students should be encouraged to carry out their dissertations with the industry. iv. Teaching learning process to be carried out in such a way so as to improve the critical thinking of the students.
5.	Curriculum of Paramedical Programmes	Letter regarding the same to be sent by the HoDs to the University. Add on courses to be introduced on the latest topics.
6.	Training & Placement Cell	More Placement opportunities need to be given to the students. They should also be prepared well for the written exam and the interviews.
7.	NEP 2020	Students to be given opportunities for skill development in those programmes where NEP 2020 has not been introduced so far.
8.	FDP	IQAC and RDC to plan out FDPs for the faculty.
