Dehradun

Subject- invitation for expert lecture

Dear Sir,

Greetings from USERC, Dehradun!!

Uttarakhand Science Education & Research Centre (USERC), is an autonomous institute under the Department of Information & Science Technology, Govt. of Uttarakhand having a mandate to strengthen, popularize and promote science, education, and technology for the development of the state of Uttarakhand. USERC is developing a synergetic network with the academic institutions of national and international repute located within and outside the state that can motivate young minds towards scientific research and innovations. We plan to conduct a one week **“Hands on training in Spectroscopic Techniques and Material Structures”** program during 19 Dec -24 dec 2022 in association with Dolphin Institute for the post graduate students from across the state so that they can be motivated to take up research and developmental activities on various priority sectors in near future. Considering your expertise in the above field, you are requested to deliver a lecture on **Lecture on Instrumentation of UV & Hands on UV Spectrophotometer Batch B** at **DIBS Dehradun** on 21 & 22 Dec 2022 please.

We look forward to your favorable consent and needful support.  
With Warm regards,

**Prof. (Dr.) Anita Rawat**  
**Director**
